

Press Release 15th May 2013

Transfer of Migrant Health Evaluation Programme

The Ministry of Health and Human Services (MOHHS) wishes to advise the general public that the Migrant Health Evaluation Programme (MHEP) which was previously operated by the National Health Insurance Plan on behalf of the Ministry of Health, has now been transferred to the MOHHS.

All physicians in country are advised to submit completed evaluations to the MOHHS which is located in Arch Plaza above Royal Jewels in Providenciales. This location is more central and accessible to the general public.

All applicants for Migrant Health Evaluations should direct their inquiries to the MOHHS which will be responsible for issuing Certificates of Health. Please contact MOHHS regarding inquiries on: 941 8316, fax: 941 4506 or email: migranthealth@gov.tc.

The cost of payments will remain the same however the process now requires all payments to be made by vouchers issued at the MOHHS and paid in to the Government Treasury. **No cash payments** will be accepted at the MOHHS. We would like to apologise for any inconvenience experienced during this transition. We would like to reassure the public that all documents will be processed as they are received.
